THE ROBERT ADAMS ANNUAL 06 HOLIDAY TOY COLLECTION

"GIVING TO OTHERS IS VERY
IMPORTANT. DO THIS REGULARLY.
ASK NOTHING IN RETURN. THIS WILL BRING JOY.
THIS BRINGS PEACE IN THE WORLD."

ROBERT ADAMS

CONTINUING THE BEAUTIFUL TRADITION OF LOVE

For decades emerging for brief weekly talks this beloved teacher requested that students personally bring toys each holiday season for homeless and 'at risk' children.

- Robert himself delivered these toys with his own children and their individually established community compassion programs to institutionalized children, accompanied by happy, uplifting books, stage presentations, a holiday party, and personal caring, jovial interaction with each child in a celebratory atmosphere.

- For the past decade students from around the world have joined together with us in joyful unity to donate toys and books in loyal dedication to this beautiful tradition.
